# sailcube

McLaughlin is proud to introduce the Sailcube. Lighter, stronger, faster, and more comfortable. Sailcube is here to power up your training program!

**MCLAUGHLIN**

## Why Sailcube?

Has your program declined due to maintenance costs? Are you finding students balking at the cost of an Optimist? Are your instructors spending too much time working on boats instead of coaching them? The SailCube is your low cost, low maintenance solution.

## sailcube Advanced Features

- Auto-Bailing
- Built in Drag Strips
- 4:1 Mainsheet System
- Built in Flotation
- Adjustable Mast Step
- Lightweight: under 100 lbs
- Completely Opti compatible

For more information on the Sailcube and how it can boost your program, contact McLaughlin Boat Works or your local dealer.

Contributing to the continued growth and health of sailing in the United States and Worldwide.
